

# Upper School E- Safety Rules

## Think then Click

- We ask permission before using the Internet.
- We only use the internet when an adult is present.
- We tell an adult if we see anything we are uncomfortable with.
- We minimise any webpage we are unhappy with, and tell an adult immediately.
- We only e-mail people an adult has approved.
- We send e-mails that are polite and friendly.
- We never give out personal information or passwords.
- We never arrange to meet anyone we don't know.
- We do not open e-mails sent by anyone we don't know.
- We do not use internet chat rooms.
- We only access our own files.
- We will not bring memory sticks or other media disks into school without permission.
- We are aware of the school's sanctions if we deliberately break these rules.
