

## Sports Fund Premium Historical Funding

2016 / 2017

Funding was allocated to provide specialist sports coaches to support staff with the delivery of their PE lessons and to deliver staff training. This helped to increase staff confidence in teaching PE.

The PE coordinator reviewed the curriculum and implemented a system of assessment. Training was received in order to support with this action point.

Funding was also allocated to enable children to attend sports competitions.

Resources were purchased to improve the quality of PE and extra-curricular activity provision; this included mini soccer goals.

2015/16

The continuation of the local sport network and netball league membership has been purchased. We bought new hockey equipment. The continued training of our staff, to improve their knowledge of how to deliver PE and sport activities to enable our pupils to develop their skills and knowledge.

This money has also allowed us to regularly release staff in order to accompany children to a wider variety of competitive events, allowing greater links to be developed between the curriculum and after school clubs/events.

2014/15

We continued to buy into the local sport network. We purchased more resources to aid both the teaching and encourage greater uptake of sport amongst our pupils. Our membership with the Ashford Netball Youth League was renewed. We took part in an Athletics tournament and contributed towards a tennis coach. Further training and coaching sessions were provided to our staff.

2013/14

We bought into a local sport network, 'The School Games Support Package', which enabled us entry into different sport competitions.

We purchased 2 pairs of netball posts and joined the Ashford Netball Youth League. We replaced our agility gym mats along with a new trolley to store them appropriately. A number of our staff received training on how to teach sport more effectively; this practice was then shared with other members of the team. Tim Pendergast spent the day with us; he gave an inspiring talk to our pupils and worked with our teachers.
