- Celebrating achievement
- Giving feedback
- Achieving targets
- Active learning– taking part
- Resilience
- Persevering
- Growth mindset
- Independence
- Striving for personal excellence
- Trusting others
- Giving supportive feedback

Who Lives in a House Like This?

Our Exploration Backpack (Essential Curriculum Skills)

I can use a map to show where places are

I know the similarities and differences between two places

I can distinguish objects from materials, describe their properties, identify and group everyday materials and compare their suitability for different uses

I recognise that I use different tools to do different things

I can describe what I want to make

On our adventure we might discover...

Butterflies and Ladybirds are turning into engineers! What can we discover about structures from around the world and the people who live in these?

- Are various building designs suitable for some parts of the world but not others?
- Can we discover how the biggest and most impressive buildings around the world are created?
- Are all constructions made of the same materials? Why?

Our Adventure Starts...

With mystery houses in the woods.. Why are they here? What are they made of? Who could have built them?

An adventure highlight...

A trip to a building site or factory to find out how homes and structures are built.

Our Explosive Ending

A secret building challenge!
