The Magic of Learning

Our Exploration Backpack (Essential Curriculum Skills)

- I can explore and understand different forces such as push, pull and friction.
- I can recognise which materials are attracted or repelled by magnets.
- I can differentiate between different states of matter.
- I know that qualities of solids, liquids and gases.
- I understand the concept of fair testing.
- I understand and use key scientific vocabulary.
- I understand the properties of different rocks and soils and can consider which would be most appropriate for a particular job.

On our adventure we might discover...

Nightingales and Kingfishers have received their letters from Dumbledore and will be taking a magical journey Harry Potter style! Children will be working together to uncover the mystery of magic within science and explore the magical settings and characters within “Harry Potter and the Philosopher’s Stone”. We will also be practising our drawing and painting skills and creating a pottery figure.

Our Adventure Starts...

With a mysterious letter from Dumbledore...

An adventure highlight...

Making a clay Harry Potter figure

Our Explosive Ending

A magical Harry Potter dress up day where children will display their magical work!
