Show Some Flare.

Our Exploration Backpack (Essential Curriculum Skills)

I can use number to solve addition, subtraction, multiplication and division problems.

I can organise my writing around a theme.

I can present information in different ways.

I can explain how vibration works to hear sound.

I can collect information and plan my ideas for a piece of art.

I know what has gone well and what can be improved.

I can recognise how a place has changed and is still changing.

I can describe the physical features of a place.

I can describe events from periods of history.

I know some facts about the lives of people and events from the past.

I can describe how music creates different moods.

On our adventure we might discover...

Bumblebees and Dragonflies are exploring the 1970s. What was life like during the decade, how did the changes in society inform the music and fashion of the time?

We will script and film an advert for our item of clothing.

We will make items of clothing from recycled packaging and bags.

Learn how to join different materials.

Find out how music inspired pop culture and fashion in the 1970s.

Discover everyday items that were invented in the 1970s era.

Our Adventure Starts...

Our schools anniversary.

How has our school and the local area changed since 1978?

An adventure highlight...

We will design and make our own recycled items of clothing.

Our Explosive Ending

1970s inspired

Trash n' Show.

We will model and introduce our designs.
