

Maths Medium Term Plan

Year: 1

Term: Autumn

Teachers: Miss Causebrook and Miss Johns

Week	Topic	Objectives
Week 1	Number: Place Value (within 10)	Counting sets of objects, understanding that the number of objects stays the same when rearranged, reading and writing numbers in numerals and words, comparing numbers in two sets.
Week 2	Number: Place Value (within 10)	Finding one more and one less, making number sequences, recognising that a whole can be split into parts
Week 3	Number: Place Value (within 10)	Number bonds, ordinal numbers
Week 4	Number: Addition and Subtraction (within 10)	Counting two sets and adding them together to find the total, adding by counting on
Week 5	Number: Addition and Subtraction (within 10)	Subtracting by taking away, subtraction using number bonds
Week 6	Number: Addition and Subtraction (within 10)	Subtraction using a number line, making fact families
Week 7	Assessment	Assess and review
Week 8	Geometry: Shape	Name and describe 2D shapes, sort 2D shapes, patterns with 2D shapes
Week 9	Geometry: Shape	Name and describe 3D shapes, sort 3D shapes, patterns with 3D shapes
Week 10	Number: Place value (with 20)	Place value of numbers to 20, comparing numbers to 20, making patterns with numbers to 20
Week 11	Addition and Subtraction (within 20)	Number bonds within 20, adding two single digits by making 10 first, regrouping tens and ones
Week 12	Addition and Subtraction (within 20)	Adding a two digit and one digit number by making 10 first
Week 13	Addition and Subtraction (within 20)	Subtracting by taking away, solving addition and subtraction using a number line
Week 14	Assessment	Assess and review
