## Dream, Believe, Achieve

### Our Exploration Backpack (Essential Curriculum Skills)

- I can describe characters and settings.
- I can use conjunctions to show time or place.
- I can write in paragraphs.
- I can identify that humans and other animals have skeletons and muscles for support, protection and movement.
- I can talk about music using technical words.
- I can talk about my strengths and set goals to improve something I find difficult.
- I can plan strategies in many different games.
- I can explain which skills I have used and how I can improve.
- I can create instructions to make things happen.

### On our adventure we might discover...

- A modern classic fiction book Krindlekrax and explore the themes of what it takes to be a real hero.
- Explore bullying and the effects of this.
- Become our own movie producers by creating and looking at play scripts around the book.
- Comparing skeletons of humans to other animals which will result in a trip to see different sorts of animals and the crocodile in book.

### Our Adventure Starts...

A box gets delivered to both classes; the children have to use their senses to identify the contents and reveal what the book will be about!

### An adventure highlight...

Discuss aspirations and dreams and make an inspirational display.

### Our Explosive Ending

To visit an Animal Park with hopes of seeing real skeletons of animals in an Educational tour.
