

Nightingales and Kingfishers' Learning Adventure

Terms 3 and 4

Our Guiding Stars

(Learning skills)

Respecting others

- To respect and listen to each other's views, opinions and ideas.
- To be kind, friendly and thoughtful.
- To love how we are all different.
- To follow rules and explain how to keep us safe.
- To talk about something that is happening in the news.

The Voyage of Dr. Dolittle

Our Exploration Backpack (Essential Curriculum Skills)

- I can recognise that living things can be grouped in a variety of ways.
- I can explore the use of identification and classification amongst animals.
- I can name and locate counties and cities of the United Kingdom.
- I can understand geographical similarities and differences through the study of human and physical geography.
- I can use maps, atlases and globes to locate countries and describe features.

On our adventure we might discover...

For terms 3 and 4 Nightingales and Kingfishers are going to travel alongside Doctor Dolittle as he explores the world and its different animals. Children will learn about different continents, countries, counties and towns and compare what different places have to offer. They will explore features of a variety of animals and learn how to classify and group them.

Year 4 will also design their own menu and practice their baking skills to open their own café to parents!

Our Adventure Starts...

Plane tickets to various destinations to begin our adventures

An adventure highlight...

Trip to Chilham village with a cream tea!

Our Explosive Ending

Year 4 café
