

Reception's Learning Adventure

Term 3

Our Guiding Stars

(Learning skills)

It's Cold Outside....

Our Exploration Backpack (Essential Curriculum Skills)

- I am happy to work in groups with different children.
- I am confident to ask for help if I need it.
- I can talk about what I enjoy.
- I can say why it is important to listen carefully.
- I can follow simple two part instructions.
- I can wait patiently to talk or take a turn.
- I can show 'super sitting and listening skills'
- I can listen in a group and begin to respond to what they have said
- I can listen to stories carefully and recall detail
- I can talk about how my behaviour effects others
- I can use new words I have learnt and explain what they mean
- I can hold an pencil correctly and form simple letters
- I can use simple tools like scissors to achieve desired effects

On our adventure we might discover...

- How the seasons have changed from Autumn to Winter
- The changes we see when ice melts and water freezes.
- Arctic climates around the world.
- How animals adapt to live in their environment.
- How to write facts about different animals.
- How animals are celebrated for Chinese New Year
- Stories that are important to different religions from around the world.
- How to write our names, different letters and simple words
- How to say each of the sounds in a short word like "cat" and put them together to say it
- How to recognise and create repeated patterns
- Examples of symmetry in nature
- How to use tool to create varied paint effects
- How to move like different polar animals

Our Adventure Starts...

A mystery egg has been found...I wonder what animal is inside?

An adventure highlight...

Jack Frost might visit
Hopefully we can help him
find something he has
lost?

Our Explosive Ending

Celebrate with a bang the
Chinese New Year– I
wonder what we will dis-
cover?
