

Year R Unexpected Adventure Trail Weeks 3-4

Instead of going to school for a short while, you can go on a 'Unexpected Adventure Trail' to make sure that you keep up with your learning. Your teachers have set out some tasks for you to complete but where you take your learning to after that, is up to you. You can extend it in any way you like.

So put on your backpack of essential skills and get going!

Monday 20th April to Friday 1st May 2020

Reading

Have a look for Fairy Tale stories in your home, The Three Little Pigs would be great, but if you don't have it choose another, its fine! Continue to challenge yourself to read at least once every day, and follow the same skills we asked in our first trail in your books. Share your reading with an adult at home and answer their questions about the storyline, the characters and the author's. where are the stories set? Can you see any patterns in the story line? Is there always a bad character? Talk about your favourite parts of the story. What didn't you like? See if you can tell your grown up what the events were that happened in the story. Can you find another version of the same fairy tale how is it different? Does it have a different ending? Can you think of your own version of the story and change a part?

Writing

- 1) Draw a picture of a character from a Fairy Tale you have read and label them to describe what they look like.
- 2) Write a sentence about an event that happens in a Fairy Tale story you have read in your home learning book. Tell your grown up the sentence you want to write. Think about the sounds you can hear. Can you write it down? Have you remembered your capital letters, finger space and full stops? Ask your grown up to draw the lines to enable you to write the sentences in your home learning book so you can write on them. Then draw a picture of the part of the story you have written about.
- 3) Continue to practice your letter formation. Can you write the capital and lower case letters for the alphabet. Use the sound mat we have sent home to use the sounds you can hear.

Maths

Mathletics challenges will be set as normal.

- 1) learn the song of ten green bottles.. Can you add one more or take one away?
- 2) Save some toilet roll tubes and make different shapes out of them, can you draw round them or use paint to make a pattern? What shapes can you make?

- 3) Practice and recall number bonds to 10. Find ten small objects and find as many ways as you can to put them into two groups. You could use two bowls and 10 buttons.

Learning Adventure

Science Skills

How is your plant growing? What have you been doing to help it grow? Can you draw what it looks like now and label the parts?

Can you find a picture of your favourite animal, or draw your favourite animal and label the different parts? How is your animal different from you? How is it the same? Does it have the same number of legs as you? Or eyes? What does it eat? How does it move?

Learning Adventure

The World

Can you see what changes are happening in your garden or the area around you when you get to go for a walk? Can you spot any signs of spring?

Can you draw a picture of what you can see and label it?

Learning Adventure

Technology

Explore the '2do' tasks on Purple Mash. The login and password to this can be found at the back of your Home Learning book.

Tasks Set

Explore the Garden Centre

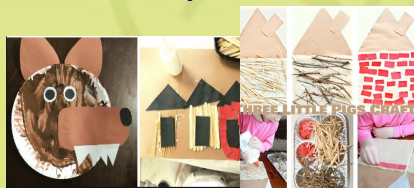

Label the parts of a plant

Create a story scene from The Three Little Pigs

Creative Adventure

Can you act out the story of The Three Little Pigs? You can use props or toys to help you. Can you record it or take photos for your Unexpected Adventure book, if possible.

Can you make a house for the Three Little pigs? Or create a picture from natural materials or draw/paint a picture of the story?

Physical Development

Can you follow Joe Wicks PE sessions on YouTube? You can find previous ones if you wish.

Can you play the game 'what's the time Mr Wolf?' with your family?

Can you skip with a rope or draw a hopscotch?

PSHE

Can you make your own emoji faces? What feelings will they show?

Don't forget, you can expand or add to these tasks. They are just the starting point.
