

Ladybirds and Butterflies Unexpected Adventure Trail Weeks 5-6

Instead of going to school for a short while, you can go on a 'Unexpected Adventure Trail' to make sure that you keep up with your learning. Your teachers have set out some tasks for you to complete but where you take your learning to after that, is up to you. You can extend it in any way you like. So put on your backpack of essential skills and get going!

Our final topic for this year is all about the world around us, so get your binoculars and magnifying glasses out and get ready to explore!

Monday 4th May to Friday 15th May 2020

Reading

Challenge yourself to read at least once every day. Share some of your reading with an adult at home and answer their questions about the storyline, the characters and the author's word choice. Log onto Oxford Owl for books.

Complete Jack and the Beanstalk reading comprehension task. [Click here](#)

Log into Purple Mash for your 2DOs including our new story about sunflowers.

Adverbs quiz and Ice cream tenses game.

Writing

Practice your Year 2 spelling words. Start to write some of the ones that you find tricky in sentences.

Task 1- Read or watch the story of Jack and the Beanstalk. Create a map of the story and use it to retell the tale to someone in your family.

Task 2- Write a setting description for a place from the story. See the newsletter for links to supporting documents.

See ['writing help sheet'](#) for further support and guidance.

Maths

Practise your times tables (2, 5, 10, 3 and beyond!) in any fun way you can.

Practise telling the time using watches and clocks around the house. Can you tell the time to the nearest 5 minutes?

Ten Mathematics activities have been selected for you to complete over the next two weeks. These are set as homework for you online. Please see the supporting ['maths time' pack](#) on how to make your own clock to help you with some of the activities.

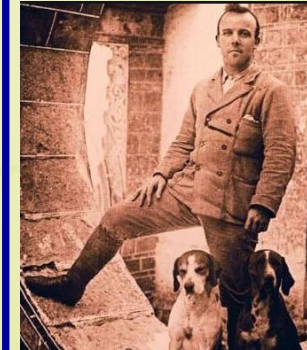

Learning Adventure– Science Skills

Go for a walk or explore your garden– record how many different types of plants you can find, you can draw, write or even stick a sample in your book. Can you identify them? If not, look them up! Have a go at planting your own seeds and watching them grow. Create a diary and draw and write about the changes that you can see–you could even plant it in your own bottle garden, like we have! (See the newsletter) Or you could find a plant that is already growing in your garden or while out on your walks and record it growing and changing. You could create a plant diary on Purple Mash– Log in to see your 2Dos.

See the '[Science plants' resource](#) for more information on how to help plants grow well.

Make an information leaflet that a gardener could use to tell them what plants need, so that they can grow strong, healthy plants. Don't forget to add diagrams and illustrations!

Learning Adventure– History Skills

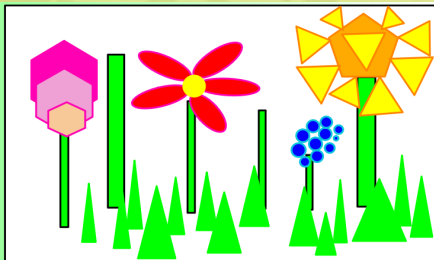

Who was George Forrest (1873 – 1932)? Why is he famous? Create an information poster about him and his achievements. To get you started, use the [fact sheet link](#) on the newsletter for information. Make sure you add your own information too!

Creative Adventure

Create a 2d shape garden.

Draw around any 2d shapes you can find then colour using pens, pencils, pastels or paint.

You could cut out 2d shapes and create a collage, or create your composition another way!

PE

Try some challenges...

Stamina– Can you run on the spot for 1 minute without stopping?

Speed– Can you run on the spot as slowly as you can for a count of 5, then run as fast as you can for a count of 5?

Stability and Strength– Can you hold a press up position for 10 seconds?

Flexibility– Can you touch your toes whilst sitting down with straight legs? Can you touch your toes whilst standing up?

Other Tasks

Make sure you help around your home and tidy up after yourself! What job could you do to help Mummy, Daddy or your brothers and sisters?

Don't forget, you can expand or add to these tasks. They are just the starting point.

You can also complete any other activities and games on **Mathletics and Purple Mash.**
