The Mystery of the  
Godinton Porridge  
Thief!

Hello Lovely Foxes and Otters.

It's only one week until the May holidays we hope the sun stays out and you get to enjoy some time outside.

We know how difficult it has been for your all and how much you are missing your friends and school and we are missing you all too. We have loved seeing all the photos of the fantastic work you've been doing at home. It's lovely to see all your hard work and see how much you have been enjoying your fairytales.

We're really looking forward to seeing your newspaper reports. Can you believe we have a porridge thief at Godinton? Keep sending all your wonderful work in for us to see.

From Mrs Jones and Miss Causebrook.

## Monday 18<sup>th</sup> May 2020

Miss Causebrook "I enjoyed celebrating my birthday in lockdown. It was a bit different to usual but I still had a nice day! Has anyone else had a birthday since we've been home? Our fence blew down, so I helped to build a new one. It was hard work in the hot sunshine!!"

Mrs Jones "My family and I are having a sunflower growing competition and races on our go cart. It's very close at the moment! We've also had a little visitor, can you see him? He comes every day at about 4 o'clock, my dog Pepper and Foxy are very keen to meet him!!"

Mrs Mcphee "Hope you are all well. I have been busy working at home as well as baking, planting seeds, reading and walking. I've also been enjoying some family time playing board games, having BBQs and watching films. I miss you all and can't wait to see you all again soon!"

Mrs Coles "I have enjoyed walking through the woods making the most of this lovely weather. I have also been busy baking raspberry and passionfruit muffins, yummy!"

Miss Evelyn "I have been doing lots of creative things and painting. I painted these stones to go outside the front of my house. Also I had a go at painting a geometric wall, my first attempt ever. I think it's pretty good!"

Now you are all roving reporters, how about you try your hand at solving some puzzles too!

See how many fairytales  
you can spot and name in  
this I spy puzzle.

# Detectives Club

Can you spot the 6 differences between these Cinderella photos? [Link to it here.](#)

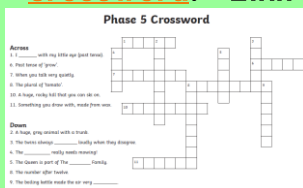

Too easy? Try and spot 20 differences between these two fairytale scenes? You can link to it [here](#).

Did it out fox you? You can find the answers here!

Practice your phase 5 phonics and try and solve this **crossword**. [Link to it here.](#)

## Time for Maths!

We are using our time very differently now than when we were at school.

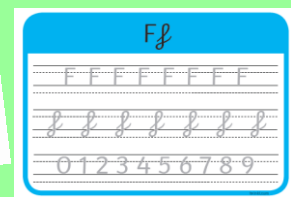

Can you make a time diary for your day and write what you are doing at these times? Draw some pictures too if you can.

e.g. At 8 o'clock I get up. At 4 o'clock I walk my dog.

## Handwriting challenge!

Please remember to keep practicing your handwriting. You can use these [examples](#) [sheets](#) to help you practice. Print them out or just practice in your books. Remember to ***start on the line*** and you'll be fine!

## Joke Corner

**Why did Goldilocks keep waking up at night? She kept having night bears!!**

**Why do dragons sleep all day? So they can fight knights.**
