

# Welcome Back

We are so pleased that the time has come for some of our Godinton Family to come back into school and we are looking forward to seeing you all. We have made this booklet to help you to find your way to your classroom on your first day and to help you to learn about some of our new school rules.

We hope that you are as excited about coming back as we are to have you!

When you arrive at school on your first day back, you will walk through the gate opposite the Chimneys car park and you will see that Mrs Partridge and Mrs Stein will be there to help you find your new classroom along with lots of other adults that you know. You will need to say ‘Goodbye and have a good day!’ to the person who is walking with you when you see Mrs Partridge or Mrs Stein near the entrance

You will be in much smaller classes and in four rooms instead of two when you come back to school. Let me introduce you to your teachers and your classrooms.

At morning playtime, your teacher or teaching assistant will look after you. You will have your own area to play in on the field with the children in your group.

At lunchtime, you will have your packed lunch in your classroom and playtime on the field with your very own midday meal supervisor to look after your class.

When we come back to school we have had to make some new school rules so that we can keep you and your grown ups safe.

We can't share our toys unless our teacher says we can after they have cleaned them for us

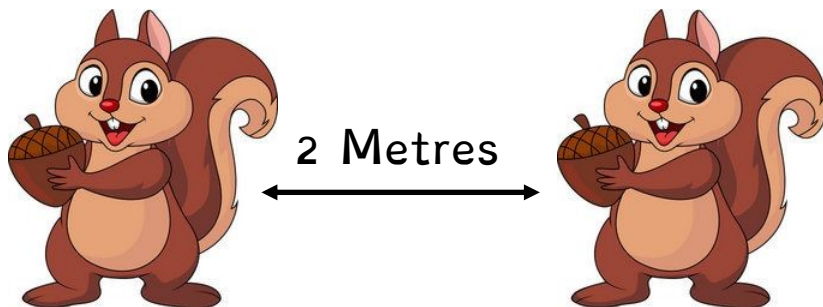

We will be washing our hands a lot!

If we need to sneeze or cough we must catch this in a tissue

We will try to stay 2 metres apart from each other

At home time your teacher will take you out to the front of the entrance to school and your Mum, Dad or whoever is looking after you will come and collect you.
