

Foxes and Otters Unexpected Adventure Trail Weeks 9 – 10

Instead of going to school for a short while, you can go on a 'Unexpected Adventure Trail' to make sure that you keep up with your learning. Your teachers have set out some tasks for you to complete but where you take your learning to after that, is up to you. You can extend it in any way you like.

So put on your backpack of essential skills and get going!

Our final topic for the year is 'Once Upon a Time...' so get ready to dive into the world of Traditional Tales!

Monday 8th June to Friday 19th June 2020

Reading

Read the story of '[The Zoo Vet](#)'.

There are three levels of questions to answer at the end. You do not need to answer all three, just pick the level you feel comfortable with.

You can print and tick the answers or record in your book.

Don't forget to continue reading to an adult everyday where possible!

Are you reading a variety of texts including fiction, non-fiction and poetry too?

Writing

Task 1:

Can you create a comic strip of your favourite traditional tale?

Use the [support sheet](#) to see some of the key features that you could include.

Task 2:

Can you re-write a traditional tale with an alternative character, plot or ending?

Watch the examples provided on the support sheet and use them as inspiration for what you would like to change in your story!

Maths

Mathletics: Focus on completing the unit on **MONEY**. Please read and complete the [Maths help sheet](#) before completing the online activities.

Consolidate this learning in the home by :

- Finding all the coins and notes you can and sorting them into groups.
- Comparing the value of the coins and notes.
- Playing shop and setting up a price list, can you ask your family to come and visit your shop?
- If you are looking for an extra challenge, take a look at our '[Diving Deeper](#)' resource which will give you some additional reasoning and problems to stretch your thinking further!

Learning Adventure

Science Skills

This fortnight we are learning to recognise and sort common deciduous and evergreen trees.

- Can you stick a picture or draw a tree and label the basic parts?
- Can you collect leaves and sort them into deciduous and evergreen?
- Can you make leaf rubbings? Which types of leaves work best and why?
- Can you use the identification sheets to name some trees.

Use the [help sheet](#) for support and information

Learning Adventure

Geography Skills

There are lots of different homes in the traditional tales you have read. What type of home do you live in?

Draw a picture and write a description of the house you live in!

Use the [help sheet](#) for support and information.

PE

Over the next fortnight, can you practice sports day style multi skills? See the [support sheet](#) provided for six activities you could try.

Other Tasks

Log into Purple Mash and see what 2Do tasks your teacher has set you. Don't forget, you can also play/use all of the other games and activities on the site.

Creative Adventure

This week in science you have been asked to collect leaves for your scientific observations. Whilst you are out and about, use this opportunity to collect lots of other items too for some nature inspired activities! Pick and choose the activities you would like to do from the [ideas sheet](#).

PSHE

Lots of people in our community help us. At the moment, key workers are more important than ever, helping to keep us all safe. Can you think of any?

We are going to focus on the **Hospitals**.

Take a look at the [support sheet](#) and then **role play** being a nurse or doctor with your teddies or family members!

Phonics

Don't forget to take a look at the phonics support sheet in the Year 1 Unexpected Adventure area on the school website for lots of fun ideas to keep practising your Phase 5 sounds daily. You can also watch online daily lessons by clicking on the following link: <https://wandleenglishhub.org.uk/lettersandsounds/reception>

Don't forget, you can expand or add to these tasks. They are just the
