

Year 1 Newsletter

Monday 8th June 2020

World Earth Day highlighted some of the good things that have happened to our planet in lockdown. As the world stayed at home nature has been working hard.

Hello Lovely Foxes and Otters.
We hope you had a lovely sunny May holiday and enjoyed some of the puzzles and wordsearches from our last newsletter. We have both been enjoying the weather in our gardens. Whilst Mrs Jones's sunflowers are growing so is baby Causebrook (not long now) and we have both been out for lovely walks appreciating the wonderful environment we live in. Did you know that Kent is known as the garden of England?
Have you noticed all the birds singing where you live?
Since we have all been staying at home more, one of the positive things to happen is that our planet has become less polluted. This means the air is cleaner and the plants are growing, there are more insects and wildlife surviving. Have you seen them around? Can you spot some of the bugs in this newsletter?

From Mrs Jones and Miss Causebrook.

See if you can work with Jess and spot as many minibeasts as you can!

<https://www.bbc.co.uk/cbeebies/games/mini-beast-adventure-with-jess-minibeast-spotter>

Go on a bug hunt!
Have a look for minibeasts that you see living in and around you. See if you can spot any of these minibeasts on your walk, can you count and record how many you have seen?

Minibeast Hunt

Tick the minibeasts that you have found!

	spider	<input type="checkbox"/>		woodlouse	<input type="checkbox"/>
	slug	<input type="checkbox"/>		butterfly	<input type="checkbox"/>
	beetle	<input type="checkbox"/>		wasp	<input type="checkbox"/>
	crane fly (daddy-long-legs)	<input type="checkbox"/>		ladybird	<input type="checkbox"/>
	earwig	<input type="checkbox"/>		dragonfly	<input type="checkbox"/>
	snail	<input type="checkbox"/>		ant	<input type="checkbox"/>
	millipede	<input type="checkbox"/>		worm	<input type="checkbox"/>
	fly	<input type="checkbox"/>		caterpillar	<input type="checkbox"/>
	bee	<input type="checkbox"/>			

twinkl

You can help save our planet in many ways. Have a listen to our 3R's song and find out why 3 is the magic number.....

<https://www.youtube.com/watch?v=d1mFymbRmv4>

What are the 3 R's?
Reduce, reuse, recycle.
What can you do to help?

Can you help bugs to find a home by making your very own bug hotel?

<https://www.youtube.com/watch?v=OexxoXo9u>

Birds

Do you see or hear any birds on your walks or in your garden? Why not try to draw a bird that you've seen?

Money, Money, Money!

Thinking about our Money topic, how much money could you save by thinking about the 3 R's. Can we reduce the amount of energy we use and save money? Can we reuse some of our things? Can we recycle them?

Handwriting challenge!

Keep practicing your handwriting. Remember to 'start on the line and you'll be fine'.

Joke Corner

What do you give a bird who is sick?
Tweetment!
What bird is always out of breath?
A Puffin!
