

Year 1 Newsletter

Monday 22nd June 2020

Most of your work this fortnight will link to the season we are currently in. Do you know what that is? What makes it different to other seasons?

Hello Lovely Foxes and Otters.

How are you all? What have you been up to?

It seems hard to believe that another two weeks have passed! However, it has been so lovely to see some of your work sent through to our Year 1 email account! We had some amazing illustrations from the Emily Fallah tutorials, some exciting looking experiments, lots of beautiful handwriting across various subjects and so much more! We have also enjoyed looking at your fabulous work on Purple Mash, showcasing some incredibly creative drawings and lots of impressive posters, stories and fact files. Keep up the super work, we are really impressed with how hard you are all working!

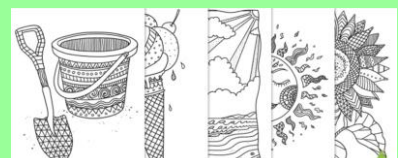

From Mrs Jones and Miss Causebrook.

Summer Colouring

Take your time with some mindfulness summer themed colouring sheets.

Allowing time for quiet colouring can be very relaxing for your brain after a hard day of work! It can even lift your mood, making you feel happier and calmer. So why not give it a try! The [link to these sheets](#) can also be found in the Year 1 area.

Bed In Summer By Robert Lewis Stevenson

In winter I get up at night
And dress by yellow candlelight.
In summer, quite the other way,
I have to go to bed by day.

I have to go to bed and see
The birds still hopping in the tree,
Or hear the grown-up people's feet
Still going past me in the street.

And does it not seem hard to you,
When all the sky is clear and blue,
And I should like so much to play,
To have to go to bed by day?

Can you design your own sunglasses? This sheet can also be found in the Year 1 area.
