

What will my day
be like at
Godinton Primary School?

Here are the Reception teachers

Mrs Christopher and Miss Marsh are the teachers of Rabbits and Hedgehogs.

Mrs Day is the teacher of Moles and Badgers

In the morning before school you will wait outside in the pirate ship playground.

When the bell rings the door opens and you will go into school.

In the cloakroom you hang your coats on your peg and put your books bags in a box in the classroom.

You put your water bottle and snack for the morning in a tray next to the sink.

This is the playground where you get to play with all your friends.

You have your lunch in the hall.

Each day you can choose to play in the
classroom

...or outside.

Here are some other people who help us at school.

Miss Talbot is our Headteacher.

Mrs Kelleher and Mrs Smith work in our school office.

We will introduce you to more people very soon.

We can't wait
to meet you!
