

Can you write an acrostic poem all about you? In an acrostic poem, the first letter of each line spells a word. The word is the subject of the poem. Here is one all about Miss Marsh! You can just think of one word for each letter of your name. Remember that you are telling everyone what is special and unique about you! Be positive! The worlds can also talk about the things that you enjoy doing. Your grown up can help you think of some words.
