

Foxes and Otters Unexpected Adventure Trail Weeks 13 – 15

Instead of going to school for a short while, you can go on a 'Unexpected Adventure Trail' to make sure that you keep up with your learning. Your teachers have set out some tasks for you to complete but where you take your learning to after that, is up to you. You can extend it in any way you like.

So put on your backpack of essential skills and get going!

When working with your child please ensure that you complete History Task 1 first! This challenges children to look at clues and guess who they might be learning about before completing any of the other tasks.

Monday 26th July to Friday 24th July 2020

Reading

Read the extract about ['Queen Elizabeth I'](#)

There are three levels of texts and questions. You do not need to answer all three, just pick the level you feel comfortable with.

You can print and tick the answers or record in your book.

Don't forget to continue reading to an adult everyday where possible!

Are you reading a variety of texts including fiction, non-fiction and poetry too?

Writing

Using the information you have learned from 'History Task 1' and the information provided on our [help sheet](#), can you write a piece of non-fiction writing about Elizabeth I?

This task should be completed over a number of days. Pick a new subheading each day to write about. Some suggestions have been made for you and links to videos to help too.

Don't forget the key features of non-fiction and remember to show us your neatest handwriting!

Maths

This fortnight we will be revising **PLACE VALUE** to 100. Please read and complete the [Maths sheets](#) first. There are lots of online games linked to this sheet which will be helpful and fun to play too!

The remaining 9 challenges on Mathletics have been set for you in 'Summer – Place Value'.

Once you have completed these you are free to choose your own topics for revision.

Some additional sheets have also been added to our Year 1 area if you would like some extra practise.

As always, if you are looking for an extra challenge, take a look at our ['Diving Deeper'](#) resource.

zk

History– Task 1

Time to turn into [history detectives](#)!

This is a discussion based activity... no writing at this point.

I have a basket of goodies, unfortunately at this time we cannot look through in real life, but take a look at some of the pictures provided that show what is inside. What can you tell me about the person who owned this basket? Do you think they were female/male? Rich/poor? Their hobbies, likes/dislikes? Their job/role? What else might it tell you?

Art

Make a royal crown! See [help sheet](#) for ideas and inspiration!

Science

SO much has changed since Elizabeth I sat on the throne! Our way of living has changed drastically due to the things that have been invented.

TASK: Look around your home to find an invention that you think is incredible!

Draw a picture of this invention and write a sentence to explain why you think it is incredible.

History– Task 2

Can you find out about [typical Tudor food](#)?

Can you talk about how the foods that people ate in the past are different to the present?

Create your own menu fit for a King or Queen!

Will it be a modern banquet or will you include typical foods from the past?

If you have completed the art task to make a crown, maybe you would like to dress up and put on your very own royal banquet!

Perhaps you could make some fancy decorations, help to prepare some food and have a royal celebration in your own living room!

STAR

Time to investigate ‘sacred’ buildings for Christians and Muslims.

Can you write a paragraph to compare and contrast these two buildings.

Use the [help sheet](#) and websites for lots of useful tips and ideas.

Phonics

Read through the sentences provided in [this weeks](#)

[Phonics sheet](#). Ask an adult to read them aloud and try to sound out each word to write the sentences independently.

PE

It is important to keep fit and healthy! Take a look at the [support sheet](#) provided for some yoga ideas to work on this week! You could also use ‘Cosmic Yoga’ on YouTube.

Other Tasks

Log into Purple Mash and see what 2Do tasks your teacher has set you. Don’t forget, you can also play/use all of the other games and activities on the site.
