

# Bumblebees and Dragonflies' Unexpected Adventure Trail

**Date: 19.01.21**

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

## Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult. Remember to write in in your diary so you can show us when we get back.

## Times Tables

Spend at least 20 minutes practising your times tables. Focus on 3, 4 and 8 times tables.

## Spelling

Spend 20 minutes practising the words from your spelling list.  
Challenge yourself by practising words from past lists.

## Maths

We are now looking at the expanded method. Please look at the helpsheet provided on how to work this out. Don't forget to draw it first if you find it tricky.

## Guided Reading

Draw a picture of a different fairytale character that the little boy could bump into in the woods. Remember to make it all grey except for the boy. Think about why the author made the pictures black and white as soon as the boy goes into the forest.

## Learning Adventure

Think about the features of an adventure story. Read the lesson introduction information of how important character descriptions are. Remember how we looked at the description of Ruskin and could imagine him in our mind from how the author described him?

**Task:** Write a paragraph where you defeat the monster. Use short sentences and inverted commas for speech. Don't forget to use the support to help you
