

# Eagles and Falcons' Unexpected Adventure Trail

**Date: Tuesday 19th January 2021**

Remember, even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities. Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. You can mark some of your own work from 2pm each day, so that you can see just how successful you have been! Your parents can also email your teachers with photos of your work so that they can reply and give you some personalised feedback.

Make sure you let your teachers know if there is anything that you need help with.

## Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult.

## Times Tables

Spend at least 20 minutes practising your times tables. Focus on the ones you are working on in class.

## Spelling

Spend 20 minutes practising the words from your spelling list.

## Maths

Mrs Partridge/Mrs Stein's group—you are continuing your work on decimals, and have a separate input and tasks; they are clearly labelled on the website.

Everyone else, we are going to be working on rounding decimals.

Lewis Maths group you have a recorded video from Mrs Crowfoot to introduce you to this topic. Watch the video and then have a go at the activities in the

PDF: 'Lewis Maths Group Tasks 19.01.21'.

Dickens Maths group you have a Zoom call with Mrs Crowfoot today. After the live input, you will need to complete "Rounding Decimals 19.01.21".

**ALL GROUPS – Please self-mark; the answers will be available on the school website at 2pm.**

## Learning Adventures

In our main learning adventure (Learning Adventure 12) we are continuing our unit on 'Biographies' in preparation for writing our own biography for Charles Darwin. Today we are going to explore the functions of colons with writing. Read the information, watch the OAK Academy video when prompted (ensuring that you complete the tasks within the video as you go) and then complete the revision card task at the end.

**SPELLING:** Today's task is revision and consolidation of techniques to remember spelling. Read through the information and watch the video link when prompted.

**GUIDED READING:** Read through the section of the text 'Wonder' that is on the website, then watch the video input and answer the questions from the 'GR input' PDF.

**PE:** Every day this week you will have an 'Active Blast' to complete, these are between 5–10 minutes and have been chosen to give you a break from sitting in-front of a screen. A parentmail went out yesterday to give you the website and log-in details.
