

Ladybirds and Butterflies Feedback

Date: Wednesday 20th January 2021

Make sure that you try to keep up with the tasks that you have been set each day. That way, when we return to school, you will feel more confident about where we are up to.

The feedback here describes what the class did well and how we can make our work even better.

Maths

Well done for continuing to use the stem sentences to help you with your multiplication work. We can see that you are showing a great understanding of multiplication and are really working very hard. We know that writing digits can be tricky, but try and make sure that you write these the correct way around, especially 3 and 5! if you get stuck don't give up, there are things you can do... keep trying, watch the video again, ask your parents or email us using the Year 2 email address if you need extra help.

Learning Adventure

Thank you for keeping all of your writing so neat and well presented; it is absolutely wonderful. You are remembering to use capital letters, finish sentences with full stops and using finger spaces. Some of you are also including exclamation marks and speech marks in your writing –WOW! Don't forget to use what you learn in SPAG in your writing too. The parts of the story that you have written so far are fantastic, we can see that you are letting your imagination flow, well done.

Thank you for answering your reading comprehension answers in full sentences too! We are very impressed with how hard you have all been working– keep it up!
