

# Bumblebees and Dragonflies' Unexpected Adventure Trail

**Date: 20.01.21**

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.
