

Eagles and Falcons' Unexpected Adventure Trail

Date: Monday 25th January 2021

We hope that you have had a good weekend. Remember, even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities. Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. You can mark some of your own work from 2pm each day, so that you can see just how successful you have been! Your parents can also email your teachers with photos of your work so that they can reply and give you some personalised feedback.

Make sure you let your teachers know if there is anything that you need help with.

Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult.

Times Tables

Spend at least 20 minutes practising your times tables. Focus on the ones you are working on in class.

Spelling

Spend 20 minutes practising the words from your spelling list.

Maths

Mrs Partridge/Mrs Stein's group—you are continuing your work on decimals, and have a separate input and tasks; they are clearly labelled on the website.

Everyone else, we are going to be starting our unit on fractions.

There is no maths Zoom session today, so everyone will need to watch the pre-recorded video from Mrs Crowfoot to talk you through today's lesson.

Lewis maths group have a separate task sheet—"Lewis Maths Group Tasks 25.01.21". Dickens Maths Group please complete the PDF "Simplifying Fractions", remember you have a maths drop in at 1:45 with Mrs Clark, if you have any questions about today's work.

Please self-mark; the answers will be available on the school website at 2pm.

Learning Adventures

In our main learning adventure (Learning Adventure 16) we are continuing our unit on 'Biographies' in preparation for writing our own biography for Charles Darwin. Today we are going to add to our notes from Friday. **YOU SHOULD ATTEND YOUR ZOOM CALL WITH MRS CLARK BEFORE YOU START THIS LESSON.** After you have seen Mrs Clark, read the information and add to your notes as you go. Then complete tasks A and B, using the additional information and video link on the school website.

SCIENCE: Today we begin a new topic in science: forces! Please read the information and when prompted to watch the BBC bitesize clip, watch the video input from Mrs Clark and complete the 3 introductory tasks.

CREATIVE: If you haven't finished the creative challenge from last week, now is your chance. Try to make sure that it is finished by today and ask your grown-up to email a picture of the finished piece to us.

PE: Complete today's 'Active Blast' in our imoves home hub.
