

# Ladybirds and Butterflies Unexpected Adventure Trail

**Date: Monday 25th January 2021**

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

## Reading

Make sure that you read today for at least 15 minutes. This could be by yourself or to an adult.

## Times Tables

Spend at least 15 minutes practising your times tables. Focus on the 2, 5 and 10 x tables.

## Spelling

Spend 15 minutes practising the words from the spelling list at the front of your homework book.

## PE

You have an extra optional activity today. Log onto imoves using the details sent out via parentmail.

## Maths

For maths today we will be continuing by looking at the 10x table. Remember this is just groups of 10, as before if you are stuck use whatever you have around you at home to make the groups of 10 so you can work the answers out. There is a challenge at the end if you are feeling confident– the answer for this is on a separate pdf. Watch the White Rose video clip by clicking on the link on the pdf document. This will explain things in more detail. When you have watched this, complete the questions in your Unexpected Adventure books You will find this on the pdf document too. The questions get progressively more challenging as you work through them. If you get stuck, look at the video again to help you out. Don't forget to complete your Mathletics tasks too!

## Learning Adventure

**Task 1–** This week you have creative activities for your Learning Adventure, beginning with Music. Listen to the first of our music lesson audio files and journey back to London in 1666. Learn a new song, listen to some 17th century instruments and perform some clapping and action rhythms.

**Task 2–** We are continuing to learn about apostrophes, this time looking at apostrophes for possession. These are used in words to tell us that something belongs to someone, for a handy hint remember that the apostrophe always points to the owner.

**Task 3–** This week your reading is Space themed, read the short text carefully then answer the questions in you books. Don't forget to always write in full sentences!
