**Date: 25.01.21**

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

## Guided Reading

Write your own ending for the story. Remember to write it in a paragraph and write it in first person (as if you are the boy). Think about using interesting sentence starters and revealing the person slowly in order to keep the reader interested.

## Learning Adventure

In learning adventure this week we are retelling Cork'y adventure. Please make sure you have listened to Krindlekrax— Chapters 13–15. On Monday we will be planning each step of our story on a story map and each day we will add the next paragraph. You can draw the key scene in each box but make sure you add powerful vocabulary, adjectives for character and setting description and a range of sentence starters or onomatopoeias to show pace. The more you put on your plan the easier it will be to write each paragraph throughout the week.
