

# Kingfishers' and Nightingales' Unexpected Adventure Trail

**Date: Tuesday 26th January**

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

## Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult.

## Times Tables

Spend at least 20 minutes practising your times tables. Focus on those you are working on in class.

## Spelling

Spend 20 minutes practising the words from your spelling list.

## Maths

A chance to practice your three times table knowledge. It's important that we don't just learn our times tables in a rote fashion. Instead, these lessons will help you to understand the underlying principles of number patterns when we multiply using various methods and representations.

## English

Today we are going to write the ending of your story. There is a video support link on the website. The video explains everything you need to be successful when writing an ending. Writing an ending isn't simply finishing a story. The ending is the most important aspect of a story, wrapping and linking all of the ideas together.

## Guided Reading

Read pages 10,11 and 12. Remember the link to the books is posted on the website if you do not have a copy at home. Then complete the questions on the last slide. I'm looking for full explanation answers using evidence from the text. Evidence might be a specific quote or a particular word that has been used. Answers must be in full sentences.

## Spelling

Another chance to practice your homophone knowledge. Remember, homophones are words that are spoken (sound) the same but are spelt in a different way and therefore, have different meanings. For example, son and sun.  
The dad's son.  
The bright sun in the sky.
