

Kingfishers' and Nightingales' Unexpected Adventure Trail

Date: Wednesday 27th January

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult.

Times Tables

Spend at least 20 minutes practising your times tables. Focus on those you are working on in class.

Spelling

Spend 20 minutes practising the words from your spelling list.

Maths

Another chance to practice your three times table knowledge. It's important that we don't just learn our times tables in a rote fashion. Instead, these lessons will help you to understand the underlying principles of number patterns when we multiply using various methods and representations. This maths lesson will give you the opportunity to delve into your reasoning knowledge.

English

Editing and improving is an important skill and aspect of all writing. Most authors will draft and redraft their work many times. This is your chance to read through your work and make it the best it can be using the success criteria from the week. You can then write the full story in neat as a final draft, including all of your corrections.

Guided Reading

Read pages 13-16. Remember the link to the books is posted on the website if you do not have a copy at home. Then complete the questions on the last slide. I'm looking for full explanation answers using evidence from the text. Evidence might be a specific quote or a particular word that has been used. Answers must be in full sentences. Today we will look at simple retrieval questions. The answer will be directly in the text.

Geography

Today we will be practicing more map work. Recapping the countries of the UK and looking on a smaller scale at the counties of England. We will look at compass points and think about which direction different counties are in England.
