

Foxes and Otters' Unexpected Adventure Trail

Date: Tuesday 26th January 2025

I'm looking forward to meeting all your secret agent minibeasts this morning on zoom.

Try to complete your tasks each day so that you can keep on top of your work. Your daily reading and phonics are top priority. We have numbered the tasks in priority order for those parents that have asked us to do this. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback.

2. Reading

Please continue to make sure that you read everyday for 10 minutes. This could be by yourself or to an adult or to your teddies. Remember to watch our Spyder storytime with Mrs Jones today.

5. Minibeast Hotels

If the weather is nice and you get out for a walk, you could collect some things to make your very own bug hotel. You can use all sorts of left over boxes and tins from your house too. Watch the video on the grid to find out more.

1. Phonics

This week we are recapping phase 5 sounds. Please practice your Phase 2 and 3 sounds everyday from your sound mats, in your homework books or with Mrs Clark's video below the grid. Our sound of the day is the digraph 'ue'. See the support sheet on the grid for your task.

4. Maths

This week we are learning all about length and height. Join Mrs Jones on video to learn about your maths task today. We are going to be using non – standard units to measure lots of objects from around your house. Your question sheet is on the grid, you can print it out or just write your answers in your book, see if you can do the challenge too!

Don't forget to warm up with Mr Pumpernickel

Don't forget to logon onto Mathletics—new tasks were added yesterday!
