

Bumblebees and Dragonflies' Unexpected Adventure Trail

Date: 26.01.21

Even though we can't be at school at the moment, it is still important for you to continue with your learning at home so that we don't miss out on learning opportunities.

Below you will find your daily learning tasks for you to complete at home. Try to complete them each day so that you can keep on top of your work. Your teachers will give you feedback to show you how you are doing, some of this will be on the website. Your parents will also need to email your teachers with photos of your work so that they can reply and give you some personalised feedback. Make sure you let your teachers know if there is anything that you need help with.

Reading

Make sure that you read today for at least 20 minutes. This could be by yourself or to an adult. Remember to write in in your diary so you can show us when we get back.

Times Tables

Spend at least 20 minutes practising your times tables. Focus on 3, 4 and 8 times tables.

Spelling

Spend 20 minutes practising the words from your spelling list.
Challenge yourself by practising words from past lists.

Maths

We are continuing with division with remainders. Please look at the video linked on the input to support you. Remember, remainders are how many are left over.

Guided Reading

Create your own blurb of the story we have been reading: Into the Forest. Look at the examples on the input and have a go at writing your own. Remember not to give too much of the story away! The real blurb will be revealed later.

Learning Adventure

Opening Paragraph–

Today we are going to turn the first box of our plan into a full paragraph. We are going to introduce the protagonist (Corky) describe him, what is he going to do? What is he thinking/feeling about his day? Then describe the first setting–Lizard street. Use senses to describe what he can see/smell/feel/hear as he walks down the street. Use the setting word mat to support you. Then use adverbs to describe how he descends into the sewer. There is an example paragraph on the lesson input to give you some ideas.
