

# Bumblebees and Dragonflies' Learning Adventure

Terms 3 and 4

## Our Guiding Stars

(Learning skills)

## Dream, Believe, Achieve

### Our Exploration Backpack (Essential Curriculum Skills)

I can describe characters and settings.

I can use conjunctions to show time or place.

I can write in paragraphs.

I can use direct speech for fiction and play script writing.

I can identify that humans and other animals have skeletons and muscles for support, protection and movement.

I can name bones and joints in a skeleton.

I can talk about music using technical words.

I can explain which skills I have used and how I can improve.

I can talk about my strengths and set goals to improve something I find difficult.

### On our adventure we might discover...

Through a modern classic fiction book **Kindlekrax**, we will explore the themes of what it takes to be a real hero.

Explore bullying and the effects of this.

Become our own movie producers by creating and looking at and writing play scripts based on the book.

Comparing skeletons of humans to other animals. We will name different bones and joints within the body and look at how they protect and help animals move.

### Our Adventure Starts...

When a mystery box gets delivered to both classes; the children have to use their senses to identify the contents and reveal what the book will be about!

### An adventure highlight...

Discuss aspirations and dreams and make an inspirational display.

### Our Explosive Ending

The children will create a replica model of the books' setting with working lights.
