

# Kingfishers and Nightingales' Learning Adventure

Terms 3 and 4

## Our Guiding Stars

(Learning skills)

## Webs of Friendship

### Our Exploration Backpack (Essential Curriculum Skills)

- I can identify and name all types of animal teeth.
- I understand the terms prey, predator and producers.
- I can construct and interpret a variety of food chains.
- I understand and use key scientific vocabulary.
- I can name the seven continents.
- I know the difference between continents, countries, counties and towns.
- I can understand a range of map symbols

### On our adventure we might discover...

For terms 3 and 4 Nightingales and Kingfishers will be solving problems that have moral dilemmas with the help of a Dragon Slayer. Wilbur the pig will help us learn to use persuasive language to create an advert for a county fair.

We will also be designing and creating our own edible treats for our class tearoom! We will become tearoom owners researching how we design and advertise products and how local food distributors have adapted to offer delivery services!

### Our Adventure Starts...

With a Dragon Slayer's dilemma! Can you help him make the right choice?

### An adventure highlight...

Creating our own slingshot spider webs to catch prey.

### Our Explosive Ending

Designing and creating our own tea room treats!
