

Governance Arrangements at Godinton Primary School

The Governing Body at Godinton Primary School is made up of volunteers who work in partnership with the headteacher to ensure that its pupils receive a fully rounded education, which sees them happy and confident, and provides them with the opportunity to achieve their full potential wherever their strengths and skills may lie.

The role of a school Governor at Godinton Primary School is to :

- hold the headteacher to account for the educational performance of the school.
- ensure clarity of vision, ethos and strategic direction of the school.
- oversee the financial performance of the school and ensure its money is well spent.

The Governing Body operates under the pyramid model of governance whose structure allows assurance of agreed processes and enables a strong strategic focus.

Because Godinton Primary School is an Academy there is an additional tier that sits above the pyramid. This tier is made up of five '**Members**' who are guardians of the governance of the Academy Trust.

The role of the members is to :

- hold the Governing Body to account for the effective governance of the Academy Trust and ensure the Governors are carrying out their role effectively,
- appoint and remove Members and Governors,
- appoint and remove the auditors,

- receive a copy of the annual report and audited accounts,
- approve changes to the articles of association.

- The middle of the pyramid is made up of the Strategy Group of the Governing Body whose members are taken from the Senior Leadership Team and the Governing Body. The Headteacher and one of the Assistant Headteachers represent the Senior Leadership Team and the Chair and Vice Chair of Governors, plus one annually elected governor, represents the Governing Body. The role of the Strategy Group is to set and lead the strategic direction of the school.
