

Welcome Back

Year 1

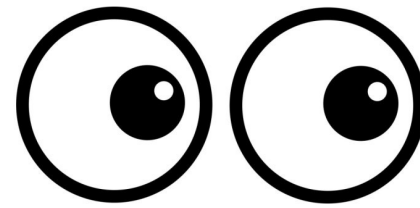

We hope that you have had a great summer holiday and we are looking forward to welcoming you back to school. As you know, we are having a lot of work done to our school roof and this has changed the way our school looks. We thought it might be helpful if we showed you some pictures of where you need to go to find your classroom before the beginning of term.

We hope that you are as excited about coming back as we are to have you!

When you return to school in September you can come onto the school grounds either by the Chimneys gate or the Lockholt Close gate. Mr Lund and Mrs Bailey will be there to say 'Hello!'.

We will be using the paths to walk down to school and back up again as we don't have to have our one way system in place anymore.

Please watch out for
cars

From these gates, you will walk down to the big, green playground gates with your grown ups. Miss Talbot and Mrs McGibney will be there to greet you.

Miss Talbot

Mrs McGibney

Year R and Year 1 adults can then walk through the playground and around the building to the mobiles on the field. Mrs Stein or Mrs Partridge will be there to tell you where to go.

Mrs Stein

Mrs Partridge

Adults can then say good bye to their children at the mobile classrooms and all the Teachers and Teaching Assistants will be there to meet you.

Adults will then need to leave the school site via the After School Mobile gate. Mrs Partridge or Mrs Stein will be there to tell you where to go.

Mrs Stein

Mrs Partridge

You will be having playtime on the small playground with the pirate ship or on the field.

You will now be having your lunch in the hall with the Year R children at 11.30am everyday.

Don't worry, there will be lots of grown ups in the hall to help you get used to this.

When we come back to school we don't have to stay in our bubbles any more and we can share our toys and equipment but, we do still have some things to remember:

We will be washing and sanitising our hands regularly.

If we need to sneeze or cough we must catch this in a tissue and put it in the bin.

At home time, your adults will come to meet you via the After School Mobile gate that they went out of in the morning. Your adults will wait for you on the tarmac opposite your classroom.

Once you have met your adult, you will need to follow the path around the building and go out of the school grounds via the big, green playground gate.
