

## Maths Medium Term Plan

Year: 1

Term: Autumn

Teachers: Mrs Day and Miss Causebrook

Week	Topic	Objectives
Week 1  First three days	Number: Place Value (within 10)	<i>Year 1 Revision</i> Verbally counting forward to and beyond 20, pausing at each multiple of 10. Show an understanding that numbers get bigger when moving along a track. Partitioning and combining numbers within 10. Distributing numbers fairly.
Week 2	Number: Place Value (within 10)	Sorting objects. Counting forwards and backwards from 0 – 10. Reading and writing numbers in numerals and words. Finding missing numbers from a sequence. Finding one more and one less, making number sequences.
Week 3	Number: Place Value (within 10)	Counting sets of objects, understanding that the number of objects stays the same when rearranged. Comparing numbers in two sets.
Week 4	Number: Place Value (within 10)	Recognising that a whole can be split into parts. Number bonds, ordinal numbers.
Week 5	Number: Addition and Subtraction (within 10)	<i>Ready 2 Progress Assessment/ Year 1 Revision</i> Understand the cardinal value of number words, for example understanding that 'four' relates to 4 objects. Devise and record number stories, using pictures, numbers and symbols (such as arrows). Counting two sets and adding them together to find the total, adding by counting on.
Week 6	Number: Addition and Subtraction (within 10)	Addition using a bead string, number line. Addition using number bonds. Making fact families.
Week 7	Number: Addition and Subtraction (within 10)	Subtracting by taking away. Subtraction by counting back. Subtraction using a number line.
Week 8	Number: Addition and Subtraction (within 10)	Subtraction using a number line. Subtraction using number bonds. Making fact families
Week 9	Number: Addition and Subtraction (within 10)	Addition and Subtraction word problems.

Week 10	Geometry and Shape	Naming and recognising 2d and 3d shapes. Making patterns with shapes
Week 11	Number: Place value (within 20)	Counting forwards and backwards from 0 – 20. Place value of numbers to 20, making patterns with numbers to 20
Week 12	Number: Place value (within 20)	Reading and writing numbers in numerals and words. Finding missing numbers from a sequence. Finding one more and one less, making number sequences.
Week 13	Number: Place value (within 20)	Counting sets of objects, understanding that the number of objects stays the same when rearranged. Comparing numbers in two sets.
Week 14	Assessment	Consolidation and revision
