

Falcons and Eagles' Homework Trail (Term 3 2021–22)

Weekly homework tasks

Reading

Read for at least 10 minutes every day. This could be your school reading book or a book from home.

Mathletics and Time Tables

A task will set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practice the times tables facts that have been sent home.

Spellings

Practice the sounds or spellings that have been sent home.

Have a look at and learn the words from the list from your list and practice regularly.

Off on the trail...

You must complete three squares in a row, passing vertically, horizontally or diagonally through the middle square.

<p>This term our hero is ELIZABETH GARRETT ANDERSON. Research and find out about her. What were her achievements? Why do you think she has been chosen as one of our Year Group Heroes?</p>	<p>Create a 2-D piece of artwork showing forces in action.</p>	<p>What the video 'Trade' on the BBC bitesize website. Write your own definitions for the words Trade/Import/Export. Look in you food cupboard and list which countries your food comes from.</p>
<p>Make a set of Forces themed Top Trump cards. Think carefully about what the categories could be.</p>	<p>Research the ship called 'The Empire Windrush' Write a newspaper article about its arrival at Tilbury Docks in London, report on the importance of its passengers.</p>	<p>Choose a country in the Caribbean: find out about it and record key physical and human geographical information such as population, key towns/cities, land type, weather, industry, currency and languages spoken.</p>
<p>Design a poster, encouraging people from the Caribbean to emigrate to the UK in the late 1940s.</p>	<p>You have inherited £1million pounds, but can only keep £200,000. The rest has to 'make a difference' to others. Explain what you would do with it, using software if you wish.</p>	<p>Research a force that we have not studied in class; e.g. magnets, friction, air resistance. Conduct an experiment to show its effects in action, and report your findings.</p>

The Extra Mile...

Can you complete any 6 squares on the grid to get your Extra Mile sticker.

Homeward Bound... Record all your homework in your homework book. You do not need to bring in your homework each week to be checked. We will be holding a Trail End Homework Showcase in class on Tuesday 22nd February when you can share your homework with the class and celebrate your hard work.
