

# Falcons and Eagles' Homework Trail (Term 4 2022–23)

## Weekly homework tasks

### Reading

Read for at least 10 minutes every day. This could be your school reading book or a book from home.

### Mathletics and Time Tables

A task will set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practice the times tables facts that have been sent home.

### Spellings

Practice the sounds or spellings that have been sent home.

Have a look at and learn the words from the list from your list and practice regularly.

Off on the trail...

You must complete three squares in a row, passing vertically, horizontally or diagonally through the middle square.

Bake your own carnival themed cookies, biscuits or cakes. Take a picture or bring them in. Write the recipe in your book using the correct features.	The sugar trade: how does it work?  Create a timeline showing the history of the trade or the route from plantation to your sugar bowl.	Create a map of a Caribbean island of your choice. Label all of the human and physical features using a key.
Find out what Fair Trade means.  Design a board game to teach other students about why Fair Trade is important.	Research what happened to the 'Windrush Generation' in 2012.  Write a newspaper report detailing how the change to immigration law affected those who had come to Britain before 1971.	Choose a Caribbean island that we have studied and design a persuasive leaflet that would encourage tourists to visit the island. Make sure you use all the elements of the tourism industry to tempt them.
Research the history of the steel pan; create a presentation for someone in Middle school (it doesn't have to be digital) to explain what you have found out.  Be as creative as you like!	Chose a theme and design a carnival float. Build it out of recycled materials and decorate it to clearly show your theme.	Chose an area that you know well, draw a map and plan an orienteering route. Challenge a member of your family to complete the route.

The Extra Mile...

Can you complete any 6 squares on the grid to get your Extra Mile sticker.

**Homeward Bound...** Record all your homework in your homework book. You do not need to bring in your homework each week to be checked. We will be holding a Trail End Homework Showcase in class on Tuesday 18th April when you can share your homework with the class and celebrate your hard work.
