In the morning you will say goodbye to your grown up at the gates. You will walk through the playground gates and across the playground to your classroom.

This is the door you will come through.

In the cloakroom you hang your coats on your peg and put your books bags in a box in the classroom.

You put your water bottle and snack for the morning in a tray next to the sink.

This is the playground where you get to play with all your friends.

You have your lunch in the hall.

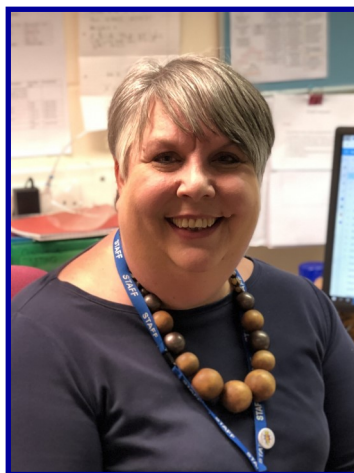

Each day you can choose to play in the
classroom

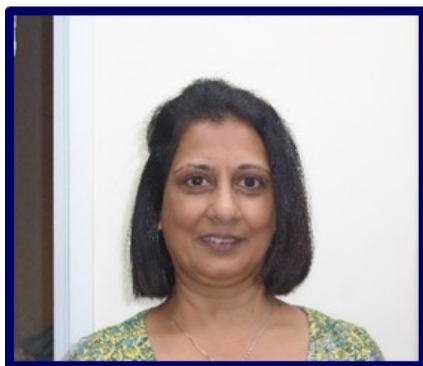

...or outside.

Here are some other people who help us at school.

Miss Talbot is our Headteacher.

Mrs Kelleher, Mrs Smith and Mrs Clark work in our school office.

We can't wait
to see you
again!
