

Godinton Primary School

Primary PE and Sport Premium Action Plan 2023-24

Department for Education Vision for the Primary PE and Sport Premium:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Total amount received from Primary PE and Sport Premium 2023–24: £19,590

Lump sum of £16,000 plus £10 per pupil (£10 x 359 = £3,590)

Proposed expenditure in each area:

Area 1	£13,340
Area 2	£1,500
Area 3	£2,860
Area 4	£800
Area 5	£1,090

Total: £ 19,590

Additional Information

Achievements to date through previous use of sports funding:	Areas for further improvement and baseline evidence of need:
<p>AREA ONE – The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</p> <ul style="list-style-type: none"> • It has been lovely to see more opportunities for our children to join in once again with tournaments, leagues and competitions to develop their competitive sports experiences. We have also invested sports premium funding in clubs offering physical activity including football, dance and fitness. Uptake for these has been very positive. This has included engagement with external providers who have been able to expand our offer to the children e.g. go karting and golf. • Cycle initiatives have helped support non-cyclists and those lacking in confidence. Younger children have been taught how to ride a bike. More confident cyclist have been provided with training, including training for Year 6 children to support them in riding bikes to secondary schools. Many of our children are now regular cyclists or have the confidence to ride their bikes when they start at secondary school and have further to travel. • Playground markings installed and signage erected encouraging more children to engage in physical activity at playtime. • Our Playground Buddy scheme has been reintroduced since Covid and sees our older children providing excellent playtime support for the younger children. • Playground climbing equipment repaired. This is very popular with the children and encourages physical activity at playtime. Additional large 	<p>AREA ONE</p> <ul style="list-style-type: none"> • Continue to extend range of physical activities for all children but especially younger children through extra-curricular opportunities. Ensuring that key clubs are provided to enable participation in matches and tournaments e.g, football, high five and athletics. • Continue to review use of outdoor small play equipment at playtime (hoops, skipping ropes, etc) to encourage greater physical activity, especially that which can be initiated by the Playground Buddies. Continue to ensure that large play equipment is well maintained and to consider the installation of new pieces on the field as this has proved popular with the children. To continue to encourage of out of school physical opportunities – development of cycling skills. This has worked well in previous years and has seen more children cycling to school. • Continue to promote daily mile ‘Fitness in Fifteen’ initiatives. Signage to be erected. A relaunch in 2023/24 is planned. • Continued implementation of Forest School Sessions across the whole school, ensuring that we have a suitable number of suitably trained staff. Opportunity to develop resources required to deliver these sessions and to develop staff skills further. Forest school sessions to be extended to After School Club.

<p>apparatus has been purchased to provide further activity opportunities on the school field. This has been very well received by the children.</p> <ul style="list-style-type: none"> • Fitness in Fifteen initiative in place. These provide good opportunities for energy / brain breaks and improve physical stamina and activity. • Establishment of Forest School staff training and resourcing which will enable Forest School Sessions to be established more widely. This is providing a core part of our curriculum which increases physical activity and a love of the outdoors as part of physical pursuits. 	
<p>AREA TWO – The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <ul style="list-style-type: none"> • Lots of our children enjoy sports activities both in and out of school. Keen participation in sports related events at school. The school has had the opportunity to take part in a range of different competitions. This is on the increase again post Covid. • New curriculum in place to ensure progression of skills and breadth of coverage – sports premium funding used for CPD and curriculum development. This is working well. • Purchase of improved resources for delivery of PE (gymnastics) curriculum – wall bars and stackable gymnastic pieces (boxes, tables and benches) • Sports Leaders in place prior to Covid. To be relaunched in 2023/24 	<p>AREA TWO</p> <ul style="list-style-type: none"> • Continued development of the role of Sports Leaders to extend pupil voice. • Greater opportunity for inter-house competitions once and to continue to develop our participation in sports tournaments and matches against other local schools. This had been significantly reduced since Covid but is picking back up again.
<p>AREA THREE – Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p>	<p>AREA THREE</p>

<ul style="list-style-type: none"> • Staff have accessed a range of training opportunities in areas such as team sports e.g. rugby, cricket and gymnastics. • Support for PE coordinator has been provided to put together the revised curriculum and to ensure that staff are suitably prepared to deliver this. 	<ul style="list-style-type: none"> • Development of CPD opportunities for less experienced staff in games / PE activities. Staff audit to be completed to identify areas which require greater CPD.
<p>AREA FOUR – Broader experience of a range of sports and physical activities offered to all pupils</p> <ul style="list-style-type: none"> • Curriculum review completed and new curriculum in place. • Opportunities for the children to try new sports and activities e.g. Boccia, golf, orienteering have been popular and well received. • Planned days each term to promote a range of different sports and activities – archery, go karting, gymnastics, dance, golf, orienteering. Children have gone on to pursue these following on from participation at school. 	<p>AREA FOUR</p> <ul style="list-style-type: none"> • To ensure that these opportunities continue to be provided for the children to extend their engagement in a range of activities and to try new activities with a view to developing an ongoing interest.
<p>AREA FIVE – Increased participation in competitive sport</p> <ul style="list-style-type: none"> • Children had good opportunities to compete in matches, leagues and tournaments prior to Covid. Pandemic led to some restrictions over the past few years but things are picking up again and inclusion in events in 2022–23 was very positive. • Children have been able to participate in football tournaments, cross country events and high five matches. The school looks for opportunities to compete against other schools. 	<p>AREA FIVE</p> <ul style="list-style-type: none"> • To ensure that these opportunities continue to be provided for the children to extend their engagement in a range of activities, including competitions and matches with other schools.

Expenditure in 2022–23

AREA ONE – The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles

- Cycling initiatives – Bikeability, Cycle Ready sessions for Lower School and Year 6 transition rides. Uptake very positive and feedback good. Good development of cycling skills which will encourage more children to cycle to school and to use cycling for leisure.
- Repairs to outdoor play equipment completed. New large apparatus for field purchased installed in autumn 2022. Grassy area under mobile classrooms did not need to be addressed as surface grew back naturally. Funding transferred to Forest School leader training
- Playground buddies up and running effectively – resources and games in place to support positive playtimes. This includes an increase in active games e.g. skipping and hoops.
- Regular meetings with outdoor MMS in place to help support active playtimes.
- Range of after school clubs offered including football club, multi-skills, high five and athletics. Other active clubs e.g. gardening also in place with overtime paid for support staff to deliver.
- Full year of Forest School activities for all children completed. Very positive feedback. Additional resources purchased and finalisation of
