

Bumblebees and Dragonflies Homework Trail (Term 5 2023–2024)

Weekly homework tasks

Reading

Read or share a book at least five times a week. This could be your school reading book or a book from home.

Mathletics

A task will be set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practise the times tables facts that have been sent home.

Spellings

Have a look at and learn the words from the front of your homework book and practice regularly. Have a look at the high frequency word lists that can be found on the [school website](#). Select the coloured list that contains words that you know you need to practise to enhance your writing.
