

Performance Data 2024

Key Stage 1 2024

The Government no longer sets statutory tests for children in Key Stage One (Year 2). The school therefore has no KS1 test data to report.

Phonics

The children in Year 1 have their phonics knowledge assessed each year. In 2024, 80% of our pupils achieved the expected standard. This is in line with the emerging national average from 2024 of 80.2%.

Those children who do not meet the required standard in Year 1 must be re-screened in Year 2, to determine whether they have now achieved the expected level of attainment in phonics. In 2024, 50% of those children who were required to repeat the screening, met the expected threshold, compared with an emerging national average of 54.6%.

Key Stage 2 2024

The children in Year 6 sit national assessment tests in May of each year. Their results in these SAT tests are compared against the national averages to provide an indicator of school performance. The table below shows the percentage of our children who achieved the expected levels in maths, reading, writing, grammar punctuation and spelling (GPS), and the percentage who achieved the expected levels in all of these areas combined. The national averages are shown for comparison.

	Reading at expected+ KS2	Writing at expected+ KS2	Maths at expected+ KS2	GPS at expected+ KS2	Combined R,W,M at expected+ KS2
School Average	70%	75%	80%	83%	58.3%
National Average	74%	72%	73%	72%	61%

This table below shows the percentage of our children exceeding the expected levels in these subject areas.

	Reading at high score KS2	Writing at greater depth KS2	Maths at high score KS2	GPS at high score KS2	Combined R,W,M at higher standard
School Average	26.7%	16.7%	28.3%	28.3%	11.7%
National Average	28%	13%	24%	32%	8.1%

Pupils were given an average scaled score in the maths, reading, and grammar, punctuation and spelling tests. The children needed to achieve a score of 100 in order to be deemed to be at least working at expected levels. The table below shows the average scaled scores for the school, against the national averages.

	Reading average scaled score KS2	GPS average scaled score KS2	Maths average scaled score KS2
School Average	104.5	105.5	105.1
National Average	105	105	104

This year there are no progress measures to report as this cohort of children did not sit KS1 SATs due to Covid. Information about the attainment and progress of pupil premium children can be found on the pupil premium webpage.

Foundation Stage 2024

Pupils are deemed to have reached a good level of development if they have achieved the Early Learning Goals in the Early Years Foundation Stage Curriculum areas of Personal, Social and Emotional Development, Physical Development, Communication and Language Development, Literacy and Mathematics.

Percentage of pupils achieving a good level of development

School Average: 65.5%

National Average from 2024: 67.8%
