OPAL Play at Godinton

We need your help 😊

Hello everyone and welcome back to Godinton and to our 2nd term in our new Opal Play Scheme. The children have been having a wonderful time over the last few months exploring our different play activities, chilling in our quiet zones and using up lots of energy playing on our huge field, which is usually closed off during the winter months but is now open with Opal.

We are looking for your help and are setting parents a challenge (see attached sheet). We are working hard to open a few more play zones this side of Christmas including our Dry Digging Area, Loose Parts Imagination Play and, looking further into the future, a wheeled toys zone. With these in mind, can I ask if you have any of the following, in good usable condition, that you are able to donate to us

Pushchairs
(not toy ones)

Bread Crates

Milk Crates

Pallets

Large pipes

Plastic pipes

Trowels

Good tyres and
planks of wood

Cable
Drums

Buckets

Builders Bags

Hard Suitcases
Telescopic handle

If you have any of these and are happy to donate, can you please email me. If you have any queries regarding Opal, feel free to drop me a line. Your help and support is very much appreciated.

Mrs Karen Carr

Opal Play Coordinator, opal@godinton.kent.sch.uk

PARENT CHALLENGE!!

Do you, or anyone you know, run a building business and can get us any of these?

We would really love a few of these for the children to play with. They can hide in them, do assault courses with them, sit and chat in them and have loads of fun using their imagination.

If you are able to help, please let me know on opal@godinton.kent.sch.uk As a thank you, we will advertise your company on our Newsletters, our Opal Webpage and any Opal notices we put out.

Challenge extended, let me know if you accept 😊
