Our Online Safety Rules

- I understand that my school's Online Safety rules will help keep me safe and happy online.
- I only use the internet when an adult is with me.
- I only click on online links and buttons when I know what they do. If I am not sure, I ask an adult first.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know my school can see what I am doing online when I use school computers and tablets
- I always tell a trusted adult if something online makes me feel upset, unhappy, or worried.
- I can visit www.ceopeducation.co.uk to learn more about keeping safe online.
- I know that if I do not follow the school/setting rules, I may not be able to use the internet as much
- I have read and talked about these rules with my parents.
- I know that I can put the poster below up at home if I want, to remind me of these rules.
