

Home School Agreement

At Godinton Primary School we believe that children thrive both academically and socially when they are valued, when they feel well supported and when they are happy. This agreement helps to support these aims by sharing an outline of the roles and responsibilities of the school, parents and children.

School Agreement

As a school we will:

- Create a caring, safe, supportive and stimulating learning environment where our children are happy, fulfilled and reach their potential.
- Value and respect all children; celebrating their achievements.

- Provide positive play experiences and outdoor learning opportunities.
- Ensure that we fulfil our safeguarding responsibilities and guide our children in the steps they can take to keep themselves safe, including on line.
- Provide children with a range of extra curricular activities and experiences including those which take place off site.
- Work in partnership with parents and carers, welcoming them into the life of the school and keep them regularly informed about school matters and their child's attainment, progress and wellbeing.
- Respond promptly to any concerns and treat parents with respect, courtesy and with an understanding of any needs they may have themselves.
