Jewellery

Parents are asked not to send children to school wearing jewellery. If you do wish your child to wear earrings, only small stud earrings are permitted (no more than one stud per ear). These should be flat to the ear and not consist of anything that dangles. Children should remove earrings for PE sessions. If they can't do this themselves, then please remove earrings at home before the children come to school. We would always recommend that ears are pierced at the start of the summer holiday so earrings can be removed by the start of the school year. However, if your child is unable to remove their earrings, they can be covered with micropore tape (not plasters), ideally at home. If children bring micropore tape in from home, staff will help children to apply this where needed. The tape should then be removed once they get home. Staff are unable to assist with this.

No other jewellery should be worn in school, unless there is a very specific reason which has been agreed with Miss Talbot. In this event, any other items of jewellery must, in all circumstances, be removed for PE.

Any items of jewellery worn to school are done so in the knowledge that parents are acting against the advice of the school and therefore parents take responsibility for any injury that may result.
