Bumblebees and Dragonflies' Homework Trail (Term 2 2026-2027)

Weekly homework tasks

Reading

Read for at least 10 minutes, three times a week. This could be your school reading book or a book from home.

Mathletics and Time Tables

Tasks will be set on Mathletics each week. You can use the games and challenges available on Mathletics as often as you like. The more, the better! Practice the times tables facts that have been sent home.

Spellings

Have a look at and learn the words from the front of your homework book and practice regularly. Have a look at the high frequency word lists that can be found on the school website. Select the list that contains words that you know you need to practise to enhance your writing.

Off on the trail...

You must complete three squares in a row, passing vertically, horizontally or diagonally through the middle square.

Create a model of a green plant with a flower. It is up to you what medium you create this from.	Create a maze with number bonds to 100. For example: 60 + 40 = 100 72 + 28 = 100	Choose an interesting picture of a Greek island and write at least one paragraph to describe the setting using powerful adjectives, verbs, adverbs and time openers.
Marie Curie is our hero for Terms 1 and 2. Create an invention which would help a battlefield surgeon to treat their patients and make them well again.	Which Ancient Greek invention that we still use today, do you think is the most important? **Research, write about and present information to inform the class about the invention.**	Create a quiz about daily life in Ancient Greece to test your friend's knowledge.
Choose a book that you have enjoyed reading at home and write about why you have enjoyed this book. Include information that will intrigue someone else to read it but don't give away the ending!	Draw or paint a picture of a scene from Ancient Greek times, e.g. a feast at a rich person's home, priests in the temple, the Gods and Goddesses on Mount Olympus.	Invent an outdoor game for Ancient Greek children to play. Which materials would the game be made from? Write a paragraph to explain how you play the game.

The Extra Mile...

Can you complete any 6 squares, including the centre, on the grid to get your Extra Mile sticker?

Homeward Bound...

Record all your homework in your homework book. You do not need to bring in your homework each week to be checked. We will be holding a Trail End Homework Showcase in class on Tuesday 5th January 2027 when you can share your homework with the class and celebrate your hard work.
