Reception Homework Trail (Term 2 2026-2027)

Weekly homework tasks

Reading

Read or share a book at least five times a week. This could be your Big Cat Little Wandle book, your reading for pleasure book or a traditional tale.

Mathletics

Mathletics homework will be set on a fortnightly basis. You can also use the games and challenges available on Mathletics as often as you like. The more, the better!

Phonics

Could you try and write some simple CVC words such as; cat, pin, pat, pot? Perhaps you could photograph yourself forming words in sand, shaving foam or glitter. You could make letter shapes with natural materials!

Off on the trail...

You must complete three squares in a row, passing vertically, horizontally or diagonally through the middle square.

Can you find out about a celebration from another country? E.g. Christmas, Diwali, Thanksgiving, Chinese New Year.	Can you make an autumn collage with natural resources?	When we celebrate, we like to have fun with our family and friends. We can also celebrate our friendships too! Can you make a friendship bracelet for someone special?
We are learning about different celebrations around the world. Fireworks are used to celebrate lots of special occasions! Now it's your turn to make your own firework painting. You can do this however you wish.	Can you draw/make your favourite character from a traditional tale? You might make a mask, cardboard model or a stick puppet. There are lots of characters such as; Little Red Riding Hood and The Gingerbread Man.	Phonics game; lay out some sounds we have learnt (s, a, t, p, l, n, m, d, n, g, o, c, k, e, u, r, h). Ask a grownup to say a sound. Can you jump on the correct one? Can you find items in your house that start with this sound?
Can you learn and video yourself singing a numbers song. You can upload this to Tapestry.	Can you make a remembrance poppy?	Play a game with a dice, taking turns, following instructions and see if you can learn the numbers.

The Extra Mile...

Can you complete any 6 squares, including the centre, on the grid to get your Extra Mile sticker?

Homeward Bound...

Record all your homework in your homework book. You do not need to bring in your homework each week to be checked. We will be holding a Trail End Homework Showcase in class on Tuesday 5th January 2027 when you can share your homework with the class and celebrate your hard work.
